Dear Ms. Gaal,

This is in response to the request to postpone the recertification audit past the certification expiration date due to the COVID-19 pandemic.

The request has been approved. Therefore the following dates and actions will apply:

1. The certification has been extended from 11/29/2020 to 06/29/2021.
2. The Recertification audit has been completed as a hybrid audit 12/20/2020 and 03/23-26/2021. The audit is now undergoing a certification committee review.

Should there be any questions regarding this information please contact me to discuss.

Best Regards,

Scott W Carey
